#### Report of Principal and School Improvement Council

At Fort Mill Elementary School, we put "Children First," and our priorities are student learning and achievement in a nurturing environment. We strive to challenge students in order to provide them with the skills needed as 21st century learners. Our staff has focused on learning, collaboration, and results as we partner with parents and the community for the success of our students. These partnerships lay the foundation for our work together. FMES received the Palmetto Gold Award, which reflects high student achievement on the 2012-2013 PASS tests and our continued legacy of learning.

We consistently strive for excellence, and we fully implemented the new SC State standards in English Language Arts (ELA) and Math in grades K – 5. In ELA, we built upon prior success and expanded our use of the Daily Five, Fountas & Pinnell Benchmark Assessments, the Sounds in Motion Program, and the Leveled Literacy Intervention Program. We initiated the use of the Lucy Calkins writing program, and students participated in Book Walks with a local children's author. In math, we utilized math strategies to support 21st century learning and math thinking. Professional development focused on the ELA and Math SC state standards, math strategies, and technology, writing, and student engagement resources. Teachers participated in authentic professional development as they utilized data to make instructional decisions for students.

The integration of technology throughout the curriculum was an area of focus. We currently have 450 devices for student use including Chromebooks, iPads, and three computer labs for students in grades K - 5. Google Apps for Education are used by students and staff, and numerous online tools such as Aurasma, QR codes, Enigma, ThingLink, and blogs were utilized. FasttMath, Razz Kids, and Compass Odyssey to supported student learning.

We continued our successful programs such as our "Character Bees", summer Lunch 'N' Learn, Math Night, Countdown to Kindergarten, Sunshine Readers, Backpack Readers, History in a Backpack, book fairs, faculty meetings, Career Day, Peer Buddies for Reading, Safety Patrols, Student Council, and Girls on the Run. Student and staff community service efforts included a student recycling team, and projects for the Humane Society, Fort Mill Care Center, Jump Rope for Heart, pediatric cancer, the American Cancer Society, Jeans for GIs, and a holiday toy drive. Our PTO sponsored school-wide events such as the Fall Festival, Bingo, and family dances, and supported our instructional efforts through the purchases of instructional materials and technology. We look forward to a great year of learning and welcoming new families as a result of boundary redistricting. We want to thank everyone who supports our staff and our students as we create a learning community!

# ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: http://ed.sc.gov/data/esea/ or request this information from your child's district or school.

Overall Weighted Points Total	83.6
Overall Grade Conversion	В

70-79.9	С	Peformance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.
